

# STAIRCASES OF MALTA

[144]

## [144] Staircase in private residence

A modern staircase which explores the tectonic relationship of different materials of the constituent parts. Staircase design by (X,Y,Z) Architecture & Design.

## [145] Foyer, Binja Laparelli, Central Bank Annexe, Valletta Counterguard

A grand modern staircase in the foyer of Binja Laparelli, a building set within the counterguard in Valletta's land-front fortifications. Staircase design by Bezzina & Cole Architects.
